Chair's Desk

The Centre for Continuing Education (CCE) at IIT Hyderabad brings out a monthly newsletter that highlight educational and professional development programs conducted during that month. The CCE offers a wide range of courses, including certificate programs and workshops designed for students, academicians, and working professionals. The Newsletters also serves as a key communication tool, providing updates on upcoming events, such as, conferences/ specialized/ workshops and Teaching development programs. The news letters also serves as a platform to skill development and capacity building.
