## DECEMBER 2024

# About Newsletter

The Centre for Continuing Education (CCE) at IIT Hyderabad is happy to bring out the monthly newsletter for the month of December 2024. The newsletter showcases the educational and professional development programs conducted throughout the month. CCE offers a diverse range of courses, including certificate programs and workshops, tailored for students, academicians, and working professionals. The newsletter serves as a vital communication tool, providing updates on upcoming events such as conferences, specialized workshops, and teaching development programs. It also highlights the availability of NPTEL facilities. Additionally, the newsletter acts as a platform for promoting skill development and capacity building, reflecting CCE's commitment to fostering continuous learning and professional growth.
